**NATIONAL PLAY DAY:
YOU ARE
NEVER TOO
OLD TO PLAY!**

July 19 is National Play Day, a reminder that play does not have an age limit. Whether you are 9 or 90, play has a way of lifting the spirit, sparking laughter, and bringing people together. It is one of the simplest ways to feel young at heart. In a month that also celebrates staying social and connected, play is a natural fit, especially when shared across generations.

There are so many ways to join in the fun:

- **Bean bag toss or cornhole in the yard**
- **Balloon volleyball or indoor bowling**
- **Games like left-right-center, checkers, chess, or cribbage**
- **Card games such as Uno, euchre, bridge, or rummy**
- **Classics like Battleship, Scrabble, or Connect Four**
- **Music, dancing, or playing piano, guitar, or another instrument**
- **Handheld video games or phone apps**

Play also brings back memories of simpler days, like neighborhood baseball games, riding bikes until dinner, or afternoons at the swimming pool with friends. Those spontaneous “play dates” were really just time spent enjoying life outdoors.

On National Play Day, try something familiar or something new. Gather with friends or family of all ages, have fun, stay connected, and simply play!

PHOTO HIGHLIGHTS

250 YEARS OF RED, WHITE & BLUE

This Fourth of July marks 250 years since the signing of the Declaration of Independence, a milestone that brings a little extra meaning to a familiar summer tradition.

For generations, July 4 has been filled with backyard barbecues, hometown parades, fireworks, and simple moments shared with the people around us. While traditions evolve, the feeling stays the same: gathering together and celebrating the red, white, and blue.

A 250th celebration is a chance to slow down and enjoy those traditions in a simple, meaningful way.

- **Set out red, white, and blue table accents**
- **Enjoy a relaxed barbecue or picnic outdoors**
- **Play cards, board games, or simple lawn games**
- **Make easy patriotic crafts with family**
- **Serve colorful summer desserts or treats**

So whether it is a big gathering or a quiet evening outside, enjoy the day, the people, and the celebration of 250 years of red, white, and blue.
